Meet some of your Healthcare Support Team

Welcome, and here's a little bit about your team at Apex Recruit. We're more than just a recruitment agency – we're your trusted team and partner in finding the right talent quickly and effectively.

We believe in building relationships, not just placements, which means we get to know your needs inside and out. Our dedicated team is here to simplify your staffing process, offering flexible solutions, personalised support, and quick responses when you need us the most and you pick your rates.

What Makes Us Unique?

Personalised Approach

We love what we do and don't believe in one-size-fits-all. Every client and candidate is unique, and we tailor our services to match your exact needs.

Quality Assurance

We maintain the highest standards, vetting every candidate for qualifications, DBS checks, and experience, so you can trust in the quality of our placements.

Fast and Flexible

Need someone urgently? We offer quick placements with 24/7 support, ensuring you're never left without essential staff.

You Choose Your Own Rates

In a competitive market, we believe you should have control. At Apex, you set the rates that work within your budget, giving you flexibility and peace of mind.

Call us now on **0800 994 9214**, and we'll appoint your "team lead" who can talk through your specific needs.

Your Nurse Needs

Understanding Your Pain Points

It's 21:00 at night, and you've just been let down by a staff member. Your team is already stretched thin, and you're left wondering, "Who can I call?"

That's where we come in.

At Apex Recruit, we get it – the challenges, the last-minute scrambles, and the constant need for reliable support.

We created Apex with you in mind because we understand what you're going through every day, week, and month. We're here to lift the burden, so you can focus on what matters most: delivering quality care. We hear you!

Our Services

Tailored Candidate Matching

Each candidate is handpicked to suit your specific needs. We take the time to understand your requirements and only match you with those who fit perfectly.

Flexible Hiring Terms

Whether you need support for a week, a month, or longer, our flexible terms are designed to work around your needs, so you're never left short.

All-Inclusive Support

From DBS checks to payroll management, we handle all the details. That means one less thing for you to worry about – just dependable staff, ready to step in.

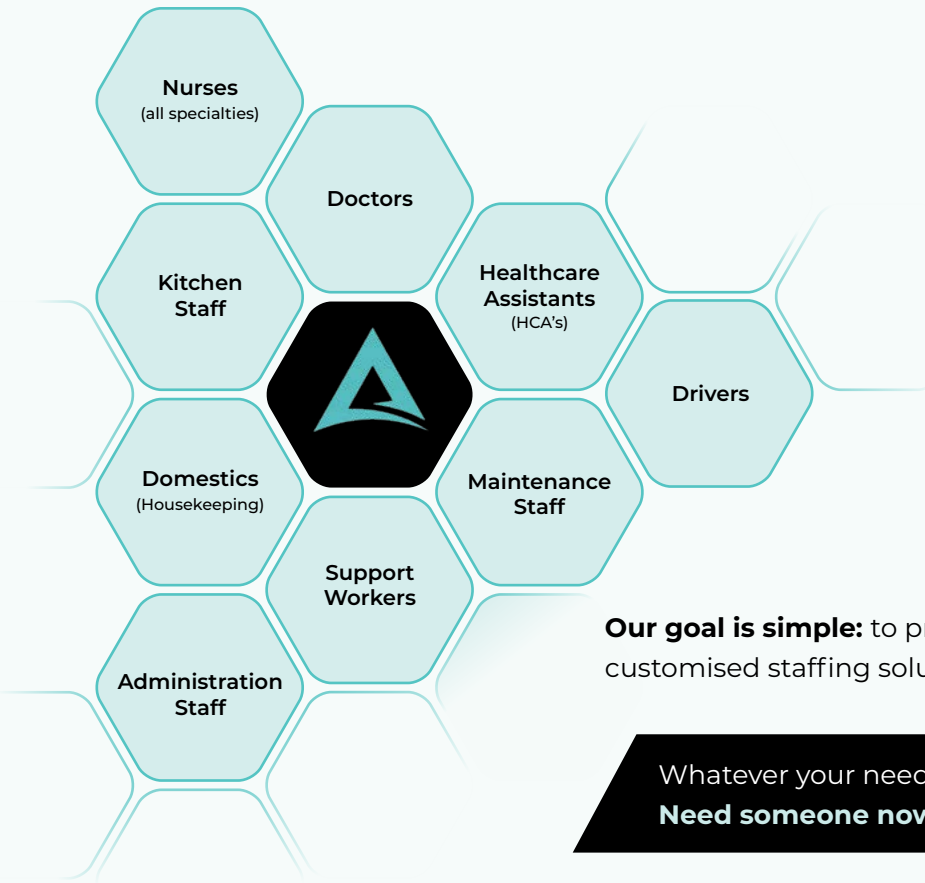

Full Range of Roles to Support You

We know that healthcare is a team effort – it's not just about having nurses on call.

Every role, from the nurses and healthcare assistants to housekeeping and admin staff, is a vital part of the bigger picture and when one piece of the puzzle is missing, the whole system can feel the strain.

That's why we don't stop at nurses. We provide support for every role in your team, because we understand that when even one part doesn't work, it can add stress you don't need. Let us take the weight off, so your team can work together seamlessly.

Roles We Provide

"Apex Recruit are your missing piece of the puzzle."

Our goal is simple: to provide you a one-stop-shop with flexible, customised staffing solutions that fit seamlessly into your team.

Whatever your needs, we're here to support you.

Common Questions

We get it – you need confidence in your staffing partner. Here are answers to some of the most common questions we receive, so you can feel assured every step of the way.

1 What types of professionals can you provide?

We supply a full range – from medical staff and support workers to domestic and admin staff – to meet all your staffing needs.

2 How quickly can you fill a role?

Our team moves fast. We can often have qualified candidates in place within hours.

3 What qualifications do candidates have?

All candidates are fully vetted, with up-to-date DBS checks and relevant qualifications.

4 Can you manage payroll?

Yes, we take care of payroll, so you can focus on care, not paperwork.

5 Do I set the rates?

Absolutely! We allow you to set rates that fit within your budget, giving you control over staffing costs.

6 How do you ensure candidates are a good fit?

We handpick candidates based on your needs and ensure they're the right match for your team's culture and requirements.
